PROFESSIONAL PROFILE

Ambitious and detail-oriented ICT professional with hands-on experience in front-end and back-end web development, graphic design, and IT support. Proven ability to deliver user-friendly digital experiences, maintain high design standards, and adapt to diverse roles in dynamic environments. Self-motivated with a strong ethical foundation and commitment to continuous learning.

SKILLS & COMPETENCIES

- Web Development: HTML, CSS, JavaScript (Front-end & Back-end)
- Frameworks: Bootstrap, responsive design principles
- Graphic Design: Adobe Photoshop, Illustrator, After Effects
- 3D/2D Design: Concept development, layout planning, mockup creation
- Software Proficiency: Microsoft Office Suite, Media editing tools
- Cybersecurity: Basic knowledge of ethical hacking using Kali Linux
- Soft Skills: Teamwork, discipline, adaptability, communication, time management

CAREER OBJECTIVE

To work in a challenging and innovative ICT environment where I can grow professionally, deliver excellent digital solutions, and contribute meaningfully through integrity, creativity, and teamwork.

EXPERIENCE

Blockchain Innoverse | Sept 2022 – January 2024 *Freelance Front-End Web Designer*

- Designed, built, and maintained responsive websites using HTML, CSS, and JavaScript.
- Optimized web applications for maximum speed and performance.
- Collaborated with back-end developers and designers to enhance usability.
- Created mockups, wireframes, and user interfaces with consistent branding.
- Integrated user feedback to refine digital experiences.

Gwanso ICT Centre, Kakamega | Jan – Aug 2022 *Computer Instructor & Graphic Designer*

- Designed marketing materials (flyers, banners, posters).
- Led computer training sessions and supervised class operations.
- Produced 2D/3D client-specific visual content.
- Managed design-to-print processes and liaised with print vendors.
- Provided creative direction and IT guidance for student projects.

Pishon Merchants, Utawala – Nairobi | May – Nov 2020 *IT Officer*

- Maintained IT infrastructure and installed software.
- Supported marketing and sales teams with digital solutions.
- Built internal software tools to improve business efficiency.
- Advised on IT procurement, pricing strategies, and gadget configurations.
- Handled hardware maintenance and customer tech support.

International Christian Churches, Imara Daima | Jan – Apr 2020 *Media Assistant (Intern)*

- Designed church branding materials (banners, t-shirts, presentations).
- Maintained and repaired tech equipment.
- Handled digital content preparation for services.
- Conducted research and documented tech-related reports.
